SUBJECT: Limited request for RIR records

Dear Yazmin Peralta,

Thank you for your letter of July 8, 2004 responding to my letter of April 7, 2004 and explaining the need to limit the scope of my request for information. (The Guild is having a bake sale to attempt to raise the \$392,000 for the full set of records. But for now the following will suffice.)

REVISED REQUEST

- 1) Will your office please provide the Guild with the RIR records for these seven employers? The Ballard Group, Biddle, Cognitum, Health Net, InsWeb, R-Systems, and Salu? (Contact details are in the April 7th letter.) All of these employers are in the Sacramento region, and all RIR recruitment would be in year 2004.
- 2) Will your office please a list of the employers in California that currently have RIRs pending? Ideally this would be an electronic list, such as Access table or Excel file, zipped, emailed, via CDR, etc.

Sincerely,

Mr. Kim Berry
